**Hook'n'Hang** - Architect recommended across the UK and successfully installed in the **2012 Olympic Athletes village**.

- ALL TUSK Racks, Hook'n'Hang, BullRack, Bike Park, Excel Security Anchor, and MultiHangers are all finished using the PLASCOAT PPA571 gloss black giving a lifetime corrosion free finish.

**Key features and benefits**

- Superior resistance to sun, salt and sea water
- Excellent impact and sand abrasion resistance
- Premium quality, glossy appearance
- Will not crack, chip, flake or fracture
- Low temperature performance to -70°C
- Excellent adhesion to steel, iron and aluminium
- Laboratory tests indicate a working life of 70 years
- *Source: <http://www.plascoat.com/>*
- TUSK Hook'n'Hang System is now architect recommended and installed in major residential and commercial developments across the UK.
